PULAU REDANG : It's located at Kuala Nerus District, Terengganu. Well-known for its crystal clear water and white sandy beaches. It has marine sanctuary park that famous for its beautiful view inside the water with various of marine being and corals that would make your short escape worthwhile, which offering snorkelling and diving opportunities for tourists. By any chance, you'll also get to see turtle as the island is an important conservation site for sea turtles!

BUKIT KELUANG : It is located at Kuala Besut, Terengganu. Bukit Keluang has some of the best coastal scenery in Malaysia with eye-catching beaches, a wooden walkway along the cliff edge, sea caves and a 141 meter high hill with a superb view over the South China Sea. It's a good place for hiking with your loved ones as when you are arrived at the top of Bukit Keluang, you will get to see an eye-opening view of beach in front of your eyes. Don't miss your chance to ride Banana Boat as the wrap up of your precious moments!

MASJID KRISTAL : This beautiful mosque is located at Islamic Heritage Park on the island of Wan Man, Kuala Terengganu. It is an unique grand structure made of steel, glass and crystal. Built on a big platform near to Terengganu River, will make it looks like floating on the water. Besides, when the night comes, you will get to see a great view of the mosque as the beams of colourful lights will embellish it. For sure, you wouldn't bear to take your eyes off of that view!

KAMPUNG CINA : It is also called as Teng Lang Po or KT's Chinatown by local people. The culture in Chinatown has been one that is an admixture of the Malay and Chinese traditions and lifestyles. This place is famous as a photography spots for tourists because the lanes there are decorated with variety of murals. Chinatown is one of the places that would make you feel like you are visiting the real China. You will also be able to know better about Chinese culture in our country.
