

Marks from continuous assessments and the Final Examinations contribute to the total marks for year 1. The weightage is as follows :-

Examination	Allocation
Continuous Assessment 1	10%
Continuous Assessment 2	10%
Continuous Assessment 3	10%
Final Examination	70%
TOTAL	100%

CRITERIA TO SIT FOR END OF PHASE I EXAMINATION:

1. Satisfactory attendance
2. Overall mark from 3 continuous assessment not less than 30%.

CRITERIA FOR PASS PROFESSIONAL I EXAMINATION:

Students will need to obtain overall marks not less than 50% in Phase I Examination to pass and to proceed to Year 2. Students who obtain less than 50% is considered as fail and have to repeat Year I. Students are allowed to repeat only once.

3.2 PHASE II ASSESSMENT

The assessment is based on 2 major components; theory (MCQ and SEQ) and practical (OSCE and clinical).

1. The Assessment method and allocation for Phase II Continuous Assessment.

	Assessment Method	Allocation
i.	MCQ	30%
ii.	SEQ	30%
iii.	OSCE	40%

2. The Assessment method and allocation for Phase II Final Examination.

	Assessment Method	Allocation
i.	SEQ	60%
ii.	OSCE	40%

3. The Promotion criteria to Phase III

In order to proceed to Phase III, students need to achieve a combination aggregate of $\geq 50\%$ in these examinations:

Examination	Allocation
Continuous Assessment 1 (Year 2)	10%
Continuous Assessment 2 (Year 2)	10%
Continuous Assessment 3 (Year 3)	10%
CFCS Examination	10%
Phase II Final Examination	60%
TOTAL	100%

Student has to attain a 50% overall mark (Continuous Assessment and Phase II Final Examination), pass both theory and practical in the Final Phase II Examination.

4. Pre-requisite for Phase II Final Exam.

Student is eligible to sit for the Phase II Examination provided that these requirements are fulfilled:

- Satisfactory attendance
- Pass CFCS examination
- Satisfactory clinical case reports (1 report for each 4 blocks)
- Satisfactory PBL performance assessment (at least mean 2.0)
- Mean of overall marks for all term examination is at least 30%.

5. Borderline Candidate

Borderline candidate is identified as:

- (a) Fail one of the components however; the overall mark is $\geq 45\%$.
- (b) Pass both theory and practical however overall mark (Term and Professional) must be more than 45% but less than 50%.

The criteria used by the Examination Council to determine the borderline candidate's result are as follows:
