

# CREATIVE TEACHER TO BE

A STEP-BY-STEP I WILL BE A CREATIVE TEACHER  
TO MY STUDENTS.

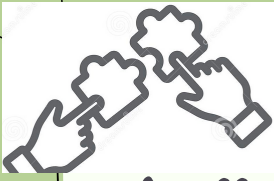

## CHARACTER

I will be a teacher that can be friendly, enthusiastic and caring to my student. This character can make student can share any problems or even to share a funny story. Great teachers possess good listening skills and take time to hear student's problem though have a busy schedules. I will leaves my personal issues when I in school so no one ever knows my problems.

## ADAPTIVE

I will able to adapt to whatever comes there way. Being a teacher in today's world means that I have to adapt to the ever-changing tools and changes that are being implemented in the schools. For example, I will use any method to attract student to learn.

## COLLABORATIVE

An effective 21st-century educator must be able to collaborate and work well within a team. Over the past decade, this important skill has grown quite rapidly in schools. Learning will be effective when I can share my ideas and knowledge to others people.

## USE TECHNOLOGY

Learn how to use technologies that can make my learning be fun and not boring. I will use some apps for example Canva, Geniunlly, Powtoon, Kahoot and others. With this apps I will attract student to focus topic that they learn.

## COMMUNICATION

Communication is a key to be a creative teacher, it is because when I communicate I will improve my skill to be a effective teacher that can make me excellent in teaching or give ideas to others. The effective communication is two ways communication.
