Dear sir/madam,

I am writing this letter to response your advertisement published in MYFutureJob.com. I would like to apply as Special Education teacher. Based on the requirements for the position, it fits very well with my education and career interests.

I am fresh graduate from Bachelor Degree in Education (Special Education), University Science Malaysia. I had some experiences in joining different organization, in and out of the college that helped to develop my leadership and self-confidence. My knowledge, skills and experience in learning about special education kids make me perfect for this position. I would like to be an apart of your company and would love the opportunity to assist in the development and progression of your students' learning.

I am optimistic that all my qualification applicant for teaching would meet your standards for hiring.

I've included my resume so you can learn more about my educational background and all my experience. Thank you for your time and consideration.

Please feel free to email me or call phone at 017-5692600. I hope to hear from you soon.

Sincerely,

(Nursyazana binti Mohd Kamal)
