

# 5 FUN FACTS ABOUT ME AS A CREATIVE TEACHER TO BE

## ABOUT ME

My name is Nur Athirah binti Che Zambeli. I'm studying Bachelor Degree in Special Education majoring in Hearing Impairment and minoring in Linguistic.

## 1 LOVE PETS

As a cat lover, I will include pets in my teaching as an example or use pets as an object to attract student's attention.

## 2 FULLTIME STUDENT PART TIME BARISTA

Even i do part time as a barista at McDonald but i still able to manage my time in study. Time management skills is very important especially when we entering realm of work. My experience in handle stress, communicate with customer and work under pressure helps me a lot to control my emotions in teaching and facing with parents.

## 3 DESIGN SKILL

I have skill in designing user interface by using Adobe xd. I will use my skill to teach student or build my own application for students.

## 4 MY TEACHING METHOD

I love grouping teaching method. This method will help students to communicate and help each other.

## 5 I LOVE ORIGAMI

origami can be used as a teaching aid. the color and shape of the origami can attract the attention of students in the learning process because special education students are very fond of teaching aids that are different from others.
