Application Position of Special Education Teacher

Dear Sir/Madam,

As a graduating honors with special education at Universiti Sains Malaysia, I have a very strong interest in pursuing teaching career and also interested applying for an entry-level teaching position in your school district.

I am a qualified teacher to have this position as my career because I have a little bit experience in teaching special education student due to my participation in programs with special education person in school and also non- government (NGO). Besides, my practical teaching experienced also help me to get this position in your company and I think my varied experiences would make me an asset to your program.

You can go through my resume. I have provided references about my background and I would like to use my experience, skill for further improvement in your company. You can contact me as a address above. I look forward to hearing positive response from you soon. Thank you for your reading.

Yours faithfully,

Andi
